LETTER FROM THE DIRECTOR OF GOLF

The heat of summer is in full swing at GCSC and with its arrival we are pleased to introduce our Summer Season Twilight Rates. Starting at 3:00pm, play 18 Holes on Weekdays for \$29 and on Weekends / Holidays for \$39. After your round of golf, take a break from the heat by visiting Kathy, Linda, or Berrick in our Grill Room to select an offering from our revamped menu. Remember to bring your scorecard ~ you may just find out you are a WINNER of a Free Drink!

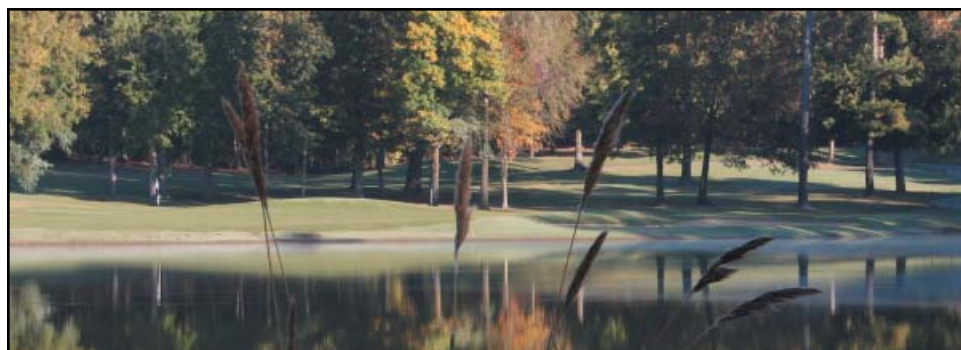

By now, I hope most of you have had an opportunity to meet the newest addition to our professional staff, Adam Sanford. A native of Winter Park, Florida and graduate of the Golf Academy of America with a degree in Golf Complex Operations, Adam is certified in Golf Instruction, Club Fittings, and Club Repair. He comes to us having worked for Arnold Palmer's Bay Hill Club & Lodge in Orlando, Florida. He has a competitive spirit for the game as he has played on both the Amateur and Mini-Tours as well as passed his Player Ability Test as he works towards his PGA Class "A" Certification. If you have not already done so, please welcome Adam to our GCSC Family.

On the event side, we are delighted to reestablish the Member-Guest Day offerings twice a month, one on a weekday and the other on a weekend day, starting in July. We will rotate the days of the week each month in order to create multiple options throughout the year for our membership to enjoy these days with their guests and take advantage of the great playing conditions we have here at GCSC.

I am pleased to announce that in September and October of this year (except on October 24th for course overseeding) we will be open on Mondays. Our management team feels this will provide members as well as the public golfer additional opportunity to further enjoy GCSC as the weather turns cooler and the course is in pristine condition.

See you at the club,

Dave Amundson
General Manager / Director of Golf
